

## **Meridian Office Park — Building Management**

July 8, 2026

**Dear Tenant,**

Please be advised that the parking garage on Level B2 will be closed for resurfacing from July 21 through July 25. During this period, tenants may use the overflow lot on Congress Avenue at no additional charge.

We appreciate your patience while we complete these improvements. If you have any questions, please contact the building office.

Sincerely,

**Meridian Building Management**
